PLEASE RECYCLE!

SPRING IS IN THE AIR ~ WALKERS, RUNNERS & CHILDREN ARE ON THE STREETS:

There are many walkers/runners and children on the streets with spring starting and warmer temperatures so we ask that you please slow down so we don't have an unfortunate accident in our neighborhood. For those that are interested, here is a guideline of the distance it is to walk/run from the clubhouse to different locations:

- Clubhouse parking lot to 4-way stop at Doeskin and Ranger Drive and back - 1.4 miles
- Clubhouse parking lot to I-10 by apartments on Doeskin and back - 2.2 miles
- Clubhouse parking lot down Doeskin to I-10 to end of Creekside Terrace on other side of Mission Pharmaceutical and back - 3.4 miles
- Clubhouse parking lot to the 4-way stop at Doeskin and Ranger Drive, then down Ranger Drive to I-10 and back - 2.8 miles

NOTE: To the cars that are coming home after dark: if you have your bright lights on and are passing a walker/runner, it blinds the person so please be considerate and turn your bright lights down.....and

REMEMBER, PLEASE SLOW DOWN!!!
