Issue #204, April 2014

NEIGHBORHOOD NEWS

MAILBOX PARKING: The board will want to paint parking lines at the mailboxes if we continue to pull into the mailbox parking area sideways instead of facing the mailbox area. There have been many complaints who are forced to wait to get to their mailbox because cars are taking up all of the room. **PLEASE pull in correctly** to leave enough room so several cars can fit in to get their mail before the board acts upon painting lines like a parking lot.

POLICE RADAR: Have you noticed the increased sheriff patrol lately? Thanks to the board for reporting vehicles driving way too fast so that our area will be patrolled. There are many walkers with the warm weather and there will be many children at play after school lets out on June 4th. Let us keep our area safe!!

DUMPSTERS: The dumpsters were a big hit and filled up quickly. Unfortunately, there were many things left in the parking lot that had to be cleaned up since there were not enough volunteers to watch the area. If you are able to **volunteer for duties like this**, please contact any board member. *Dumpsters are a privilege we do not want to loose!*

KEEP BOERNE BEAUTIFUL: Thanks to one of our homeowners, look for a group to implement this in our association! ****We can even earn money for beautification by helping with the Texas Trash Off!**

SUBDIVISION GARAGE & CRAFT SALE: We are planning this event at the clubhouse in early June. Come to the next homeowners meeting to help get this organized!

POOL NEWS: The pool will open May 16th on the weekends until school is out. **Make sure your dues are current** and find your pool badges. The pool rules will be listed in next months newsletter and replacement badges are \$5 each.

HOMEOWNERS MEETING

May 8th
at 7:30pm
in the clubhouse.

CONTACTS

2014 Board Members:

PLEASE RECYCLE!

HINTS TO KEEP CHILDREN SAFE:

Children love to play and explore! Isn't But sometimes their curious nature can get them into unsafe situations. Here are some hints to help you keep your children safe while out and about.

- ⇒ At the playground, make sure they are ALWAYS in sight and are playing on equipment you think is age- and skill-appropriate.
- ⇒ If your kids are walking, go over the route with them. Have them pick a walking buddy and only cross the street in designated areas. If you know people who live along the route, designate their houses as safe spots where your child can stay if needed.
- ⇒ When you're in a large crowded area, designate a "meet-up" place in case you get separated. Have everyone wear the same color shirts for easy ID.
- ⇒ Make an emergency bag to take with you. Pack a first-aid kit, sunscreen, snacks, water, extra clothes, etc. to keep on hand.
