TIPS FOR A BEAUTIFUL LIFE

- 1) Take a 10-30 minute walk every day and SMILE the whole time.
- 2) Sit in silence for 10 minutes or more each day.
- 3) Eat more foods that grow on trees and plants and eat less food that is manufactured.
- 4) Drink green tea and plenty of water. Eat blueberries, broccoli and almonds.
- 5) Try to make at least 3 people smile each day.
- 6) Don't waste your energy on gossip, energy vampires, issues of the past or negative thoughts/ things you cannot control.
- 7) Eat breakfast like a king, lunch like a prince and dinner like a college kid.
- 8) Life is not fair, but it's still good.
- 9) Life is too short to waste time hating anyone. Forgive them for everything.
- 10) Don't take yourself so seriously.
- 11) You don't have to win every argument.
- 12) Make peace with your past so it won't spoil the present.
- 13) Don't compare your life to others. You have no idea what their journey is all about.
- 14) No one is in charge of your happiness except YOU!
- 15) Frame every so-called disaster with these words, "In 5 years, will this matter?"
- 16) Help the needy. Be generous! Be a 'Giver' not a 'Taker'
- 17) What other people think of you is none of your concern.
- 18) Time heals everything.
- 19) However good or bad a situation is, it will change.
- 20) Your job won't take care of you when you are
